

A large, white, four-engine turboprop aircraft, identified as a C-17 Globemaster III, is shown in flight against a clear blue sky. The aircraft is viewed from a low angle, emphasizing its size. It features 'U.S. AIR FORCE' markings on the fuselage and 'USAF' on the wing. The tail section has 'AFRC' and 'SS101' markings.

Strategic Turn-Key Solutions for Aircraft Maintenance

We don't just supply parts, we think outside the box.

AIRCRAFT PARTS AND SERVICES

With Non-Stop Service Worldwide

OVERVIEW

Militaries, MROs and Operators of USA and European origin aircraft rely on NAS for much more than aircraft spare parts. NAS's services commence at the planning stage and never stop until the aircraft is returned to service.

Located in Los Angeles, USA, NAS has been in business for nearly 35 years. NAS's turn-key "nose to tail" maintenance support solutions make NAS the ultimate choice to save time, money and manpower. Rely on NAS for non-stop service worldwide.

Service Above and Beyond

We've broken the parts barrier and taken aircraft maintenance support to a whole new level

Quality Is Our Bottom Line
